

Wegbereiter für die Digitale Transformation gesucht

The FP Group, headquartered in Berlin and a history spanning 96 years, is an expert in secure mail business and secure digital communication processes. We worked hard to become one of the foremost suppliers in the world of mail processing equipment. Now, we also offer digital solutions in communication and related areas. Our customers are more than 200,000 satisfied businesses and government agencies, all over the world.

FP's growth strategy requires a strong Finance team that closely accompanies the strategic realignment of the company and acts as a sparring partner for Top Management at eye level - both conceptually and as an internal consultant.

We are expanding our international Finance Team for North America (USA / Canada).
